

Recommeneded Materials

Gluestick

Scissors

PVA Glue*

Toothpick**

Tissue/Newspaper

Printer&Paper

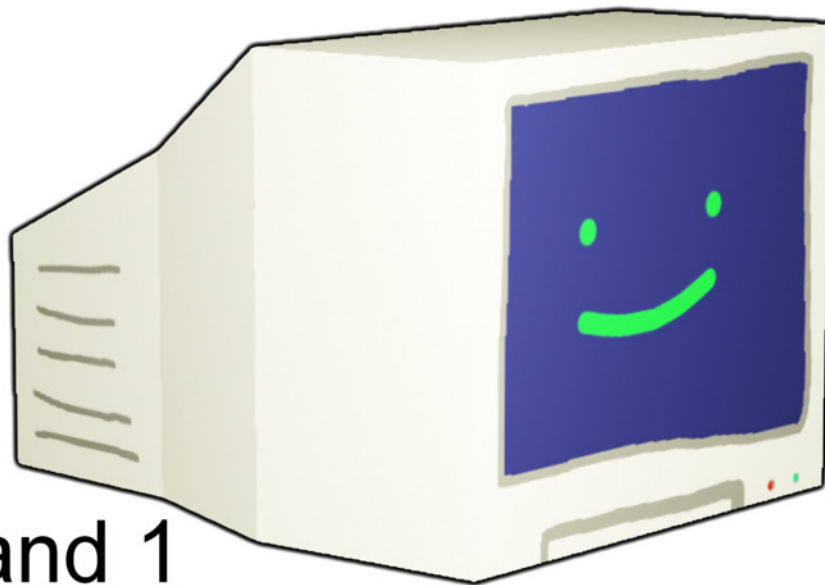

Every tab is labeled with a number, and every seperate object is called an island. Connect tabs to where every number arrow is to complete more complex parts of the net.

If there is more than one island, it will be shown below how to assemble them together correctly.

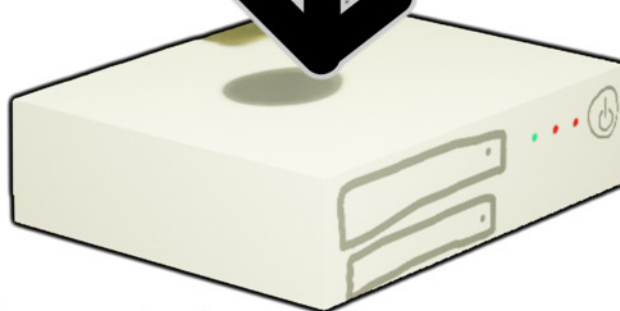

* Only reccomended for tight spaces, or sticking seperate objects together

** Or any other tool that would fit into a small area, to make it easier to stick it together

Step 1

Island 1

Island 2

END
